2008-09

The Strathroy Middlesex General Hospital Auxiliary was lead by two Presidents this year. January to May was bonnie Noszenko and June toe December, Carol Howarth. We have a membership of 102. This is a slight increase from 2007 due to the sad loss of some long time dedicated members as well as registration of a few new members.

Our meetings are held in the Hospital Auditorium the fourth Month of each month. We have had speakers this y

Some of our members attended H.A.A.O. Conferences in Tillsonburg (Spring) and Petrolia (Fall) and a fun time

At our May Strawberry Social we presented a cheque in the amount of \$20,000 to the hospital. At the Novembe

The Auxiliary had two bake sales, our Dinner of the Month Raffle (which we are still selling tickets on) two bra last six months of the year due to the lack of visitors and the economy. Our staff have brought in new products and reorganized the shop to entice more sales. Hospital Staff and vi8sitors are very supportive of the shop when they are in the hospital.

Our biggest project was initiated in January of 2008, our coffee kiosk, now named Java Hut. In January 2009, positive step forward for the Auxiliary and the Hospital.

Respectively submitted,

Carol Howarth
President
